POST  
OFFICE**

**Saturday - 1pm  
July 27, 2013  
2000 Allston Way**

This day we will demonstrate in opposition to the imminent sale of the Berkeley Post Office. Privatization of the Post Office and other Public Services is a form of austerity being forced upon us by the greedy 1%. Come gather with fellow concerned citizens and discuss how we can defend ourselves from this attack on our commons.
